**I.D.T.A.N.A.
Scholarships
2018**

Two types of scholarship awards will be given:

- for high school seniors graduating in Spring 2018, and
- for students who are enrolled in a four-year undergraduate college program and who will still be enrolled during the 18-19 school year.

There have been changes to the specific, detailed on-line process for submitting applications for consideration.

In order to submit an application, you must:

- meet the minimum academic criteria in your academic transcript
- submit an official application form,
- provide required transcripts, other academic information, and all required documentation/paperwork by the stated deadlines.

NOTE: A complete description of the procedures to be followed in applying for the 2018 scholarships, the application deadline, and all rules and requirements are posted, as of September 15, 2017, at www.idtana.org
